United Nations E/2006/9/Add.13*

Economic and Social Council

Distr.: General
4 April 2006

Original: English

Resumed organizational session for 2006
10 and 11 May 2006
Agenda item 4
Elections, nominations, confirmations and appointments

Election of two members of the International Narcotics Control Board under the provisions of article 9, paragraph 1 (a), of the Single Convention on Narcotic Drugs, 1961, as amended by the 1972 Protocol

Note by the Secretary-General

Addendum

Election of two members of the International Narcotics Control Board from among candidates nominated by the World Health Organization

1. The present note contains information on candidates nominated by the World Health Organization (WHO). Information on candidates nominated by Governments is contained in documents E/2006/9/Add.11 and Add.12.

2. In accordance with established procedure, the Secretary-General invited the Director-General of WHO to submit a list of at least five candidates for election to membership in the International Narcotics Control Board for the period from 2 March 2007 to 1 March 2012 on the expiration of the term of office of two members of the Board who were originally nominated by WHO and elected by the Economic and Social Council in 2001. The posts are currently occupied by Elisaldo Luiz de Araújo Carlini (Brazil) and Hamid Ghodse (Islamic Republic of Iran).

3. As of 19 January 2006, five candidates had been proposed by WHO. Their names are given below in alphabetical order:

Elisaldo Luiz de Araújo Carlini**	Brazil
Godofreda Dalmacion	Philippines
Hamid Ghodse***	Islamic Republic of Iran

* Reissued for technical reasons.
** Nominated by WHO and Brazil.
*** Nominated by WHO and the Islamic Republic of Iran.

06-26295* (E) 040406

Georges Lagier	France
Sri Suryawati	Indonesia

4. The biographical information that was transmitted with proposals for candidates is contained in the annex to the present document.

5. In accordance with article 9, paragraph 2, of the Single Convention on Narcotic Drugs, 1961,[1] as amended by the 1972 Protocol,[2] members of the Board shall not hold positions or engage in any activity that would be liable to impair their impartiality in the exercise of their functions. Positions and activities of individuals in the following areas are, in particular, incompatible with membership of the Board: persons who hold government posts, are in the paid service of their Governments or are acting under instructions from their Governments; persons who represent a Government at national or international forums on drug-related issues; and persons who are engaged in any activity, whether private or public, that might be liable to impair their impartiality in the exercise of their functions on the Board or whose activity is in conflict with the functions of the Board.

6. Document E/2006/9/Add.11 contains information on the number, length and place of meetings of the Board in 2005, on payments to members and on present membership (annex I); articles 9 (Composition and functions of the Board) and 10 (Terms of office and remuneration of members of the Board) of the Single Convention on Narcotic Drugs, 1961, as amended by the 1972 Protocol (annex II); information on qualifications and other conditions of membership on the Board (annex III); and a list of the States parties to the Single Convention, the 1972 Protocol amending that Convention, the Convention on Psychotropic Substances of 1971[3] and the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances of 1988[4] (annex IV).
